PROHIBITIONISTS HOLD CAUCUS

David S. Merritt Nominated as Senator From This District—Hon. Nelson J. Ayling Nominee for Judge of Probate—Town Committee Appointed.

David S. Merritt of this city was nominated for senator by the prohibition party at a caucus of the 19th senatorial district held Wednesday evening in W. C. T. U. hall on Shetucket street.

The caucus was called to order shortly after 8 o'clock by the state chairman, E. L. G. Hohenthal, of South Manchester. L. S. Saunders was appointed chairman of the meeting and Rev. E. P. Phreaner clerk. Frank Haglund nominated David S. Merritt for senator, and his nomination was seconded by Sterling Nelson. In case of vacancy, the state chairman was given the power to fill the same. S. Howard Mead of this city was chosen representative for this district on the state committee. The nomination

was made by Sterling Nelson and seconded by Frank Haglund. With S. Howard Mead as chairman, the following town committee was selected: Rev. E. P. Phreaner and Frank Haglund, L. S. Saunders, Sterling Nelson and D. S. Merritt.

After the adjournment of the senatorial district caucus, the probate district caucus was held. Hon. Nelson J. Ayling was nominated for judge of probate. The candidate for senator from the 20th senatorial district was left to the state chairman. Fred L. Hall, candidate for congress from the Second congressional district, was present at the meeting. The prohibitionists have mapped out an active campaign throughout Connecticut and have scheduled many rallies to be held in eastern Connecticut.

The Fifth company at its meeting Wednesday night had infantry drill. There was a good attendance.

INDOOR PARTY AT NORWICH GRANGE MEETING. Lecturer's Programme Entertained a Large Number of Members.

An indoor lawn party arranged under the direction of the lecturer was the feature of the meeting of Norwich Grange, No. 172, P. of H., in Pythian hall on Wednesday evening. Worthy Master Charles A. Hagberg occupied the chair at the business meeting at which there was a general discussion of the plans for the opening of the new grange headquarters in the Chamber of Commerce building on Main street.

The indoor lawn party occupied the lecturer's hour. The hall was arranged so as to represent a lawn and there were a number of Japanese lanterns attractively placed. The programme rendered was as follows: Song, My Childhood's Home, by the grange members; Roll call, responded to by all the members giving their most pleasant experience of the summer; song, No Golden Harvest, by the grange; reading, The Busy Body, by Mrs. Walter Phillips; piano duet, Miss Ruth Breckenridge and Miss Harriet R. Cole, Qui Vive, (encored); Dance solo, Rev. Joel B. Slocum, D. D. Absent; encore, The Little Grey Home in the West. Refreshments were furnished by the ladies who brought box lunches. Worthy Master Hagberg, through the lecturer, extended an invitation to a corn hucking at his farm in Preston on the evening of Tuesday, Oct. 10, and the invitation was accepted. Basket lunches will be served.

EASTERN CONNECTICUT BRANCH MEETING.

Meeting Held With Niantic Congregational Church, at Which a Number Were Present from Norwich.

Eighty were in attendance at the meeting of the Eastern Connecticut branch of the Woman's Board of Missions which was held on Wednesday at the Second Congregational church at Niantic, a number of whom were from this city.

Following the report of the annual meeting by the secretary and the reports of the treasurer and her assistant, it was announced that there had been received the sum of \$415 towards the \$688 which have been pledged by the branch since the golden anniversary gift which is to be from this city.

Mrs. Robert C. Learned of New London, who took place at the 25th anniversary of the branch in 1900 and Miss Nancy Lucas of this city read a letter from Miss Riggs, who has been stationed at T. I. report, while items of interest about several other missionaries were read by Miss Willard of Colchester.

Following prayer by Miss Susan Hyde, the devotional exercises were led by Mrs. A. V. Dewitt of New London, at the conclusion of which Mrs. John Howland of Mexico gave a brief talk. A basket lunch was served at 12.30.

At the afternoon session, following the singing of a hymn, prayer was offered by Mrs. S. E. Howe of this city. Miss Ruth Potter of Norwich Town gave her impressions of the Northfield conference, and a collection for incidental expenses was taken. The afternoon programme was concluded by an interesting stereopticon lecture on Mexico by Dr. John Howland, and by prayer and benediction by Rev. J. W. Knappenberger.

Scientific Proof of Maxwell Fuel Economy

In a test made by David L. Gallup, M. E., Professor of Gas Engineering, Worcester Polytechnic Institute, a stock Maxwell Touring Car made from 23 to 33.7 miles per gallon of gasoline at speeds ranging from 10 to 35 miles per hour. We reproduce a letter from Professor Gallup concerning this test.

DAVID L. GALLUP, M. E.
Consulting Engineer

Maxwell Motor Co., Inc.,
Detroit, Michigan
Gentlemen:

I have pleasure in submitting the enclosed blueprints giving the results of a fuel economy test made on a 1917 Stock Maxwell Touring Car furnished by your Boston representative.

The curves are self-explanatory and need no discussion other than the statement that the carburetor, which was stock, was adjusted to give the best combination of power, flexibility, speed, and economy for such conditions of touring as would ordinarily be encountered.

In tabular form the results taken from the curves of speed and economy are as follows:

SPEED (Miles per hour)	ECONOMY (Miles per gallon)
10	33.7
15	32.7
20	31.2
25	29.9
30	25.1
35	23.0

Respectfully submitted,

D. L. Gallup

Deferred Payments
If Desired

NOTE that no unusual means were employed to get these results. The car used was taken from stock; the test was made with a full load and with top and windshield up; the regular Maxwell carburetor was used. Any Maxwell car is capable of giving this same economy in gasoline consumption. Maxwell operating economy matches its economy in first cost, making it The World's Greatest Motor Car Value.

Democratic Logic. That the good work done by the crew of the Pennsylvania in target practice is a complete and sufficient answer to all the criticisms of Secretary Daniels is a somewhat unconvincing example of Democratic logic. —Philadelphia Ledger.

No Time for Rash Action. It is reported from Texas that a poker-chip mine has been discovered. Investors would better go slow, however, till it is reported whether the mine produces blue or red or merely white chips. —Cleveland Plain Dealer.

Which Will Be Different. Lord Cecil says England will not alter its blacklist to please the United States, but she may be forced to alter it to please herself before she has finished with it. —Louisville Evening Post.

Not So Bad. The price of potatoes is mounting rapidly, but so far it hasn't reached the point where lunchrooms will be forced to put some meat in their chicken potpies. —Philadelphia North American.

No Autos in Bermuda. Bermuda still maintains its stand against the introduction of the automobile on its coast. A bill to provide a restricted motor-bus service for the island has just been defeated in the Bermuda legislature by the vote of 15 to 14.

Funston as Peace Commissioner. If General Funston succeeds in getting the United States troops back across the border he will prove himself the best Mexican peace commissioner of them all. —Boston Advertiser.

To Weather Bureaus. While the cooler weather is quite delightful, the suggestion is made that the official bureaus keep to their observations bearing upon the backbone of summer. —St. Paul Dispatch.

Mayer Cox, of Darlington, S. C., was astonished when he opened a special delivery letter which contained a bright note and \$200 in gold certificates. The note, which bore neither date nor signature, read: "Have discovered that, owing to a mistake made long ago, \$350 belongs to the town. Just use with ordinary taxes."

Chronic Catarrh is Curable

Nothing is more distressing to the sufferer and his friends, Chronic catarrh is systemic—that is, it is present throughout the body, though it may manifest itself in a local ulceration.

Only a constitutional treatment will overcome systemic catarrh. Local treatments sometimes help the acute manifestations, but they cannot overcome the systemic disorder.

PERUNA Has Helped Thousands

It is a fact to catarrh. The voluntary testimony of thousands establishes that. Peruna benefits in a number of ways. Peruna builds up the digestion, restores the strength, and helps out the system in condition.

Peruna has special value in catarrh. It gives vitality to the system, restores tone to the membranes and enables these to perform their function in gold. In many cases the benefit begins at once. In others it takes time. When treatment is continued properly, the Peruna Medical Department will be glad to assist you to overcome this disease. The doctor's advice is free. Don't delay treatment.
